

BUSHFIRE READINESS NOTICE

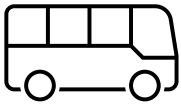

Our School takes bushfire preparation and prevention seriously. To protect the school community from undue risk, the following procedures are always in readiness.

CATASTROPHIC FIRE DANGER RATING – PRE-EMPTIVE CLOSURE WILL BE DECLARED.

NO BUS SERVICE AND CHILDREN MUST REMAIN AT HOME.

- Other triggers may also call for pre-emptive closure, such as a nearby fire on an Extreme day or any advice received from DFES by the school.

OFFSITE EVACUATION

- THE SCHOOL WILL TAKE DIRECTION FROM RELEVANT AUTHORITIES WHEN EVACUATING STUDENTS TO A SAFER LOCATION.
- *IF EVACUATION IS TO TAKE PLACE, IT IS NOT SAFE FOR PARENTS TO COLLECT STUDENTS FROM SCHOOL.*
- Parents will be notified via SchoolStream/SMS of the safer location for collection.

SHELTER IN PLACE

- IF IT IS DEEMED SAFER TO SHELTER IN PLACE DURING A FIRE INCIDENT, STUDENTS WILL BE MOVED INTO THE APPROPRIATE BUILDING(S) AT SCHOOL.
- Medical kits, bottled water and fire blankets are stored in readiness for this purpose.
- *PARENTS SHOULD NOT ATTEMPT TO COLLECT THEIR CHILDREN FROM SCHOOL.*
- Updates will be communicated to parents when possible.
